Enter the main house from its expansive front porch deck area into the large living area with built-ins and a wood-burning stove. The eat-in kitchen has plenty of cupboard space and a door to a back deck/porch. There is a room off the kitchen that you could use as a dining room, sitting area, or library/office. This beautiful home has two bedrooms and one bath in the main house. The laundry room is located downstairs under the main house, this separate laundry area also provides ample storage space. A Separate cottage on the property has an open floor plan with a bedroom area, a full bath, and a full kitchen. This fabulous property also offers you a studio/office to use as your home office, artist retreat, or yoga studio. The property has lovely green space with mature trees and plenty of outdoor space to enjoy nature.

Main House Living Space is approximately 1,185+/-sqft Cottage Living Space is approximately 500+/-sqft Studio/Office Space is approximately
